

# NINGBO JIULONG INTERNATIONAL CO.,LTD

HOW TO DEVELOP THE COMPANY CONTINUITY?

-since 1989-2009-2019-2049-2100

[www.nb-jiulong.com](http://www.nb-jiulong.com)

# Our Journey

1982, my father Mr Jin Changhai has established the **Ninghai Rubber Factory**. The company name changed to **Ninghai ShuangEn Rubber & Plastic Co. Ltd.** in the year of 2004.

1990, we were starting to produce the **forged load binder** accessories, we had completed all the development on the finished load binder product in 1994. started to attend the **88th Canton Fair**.

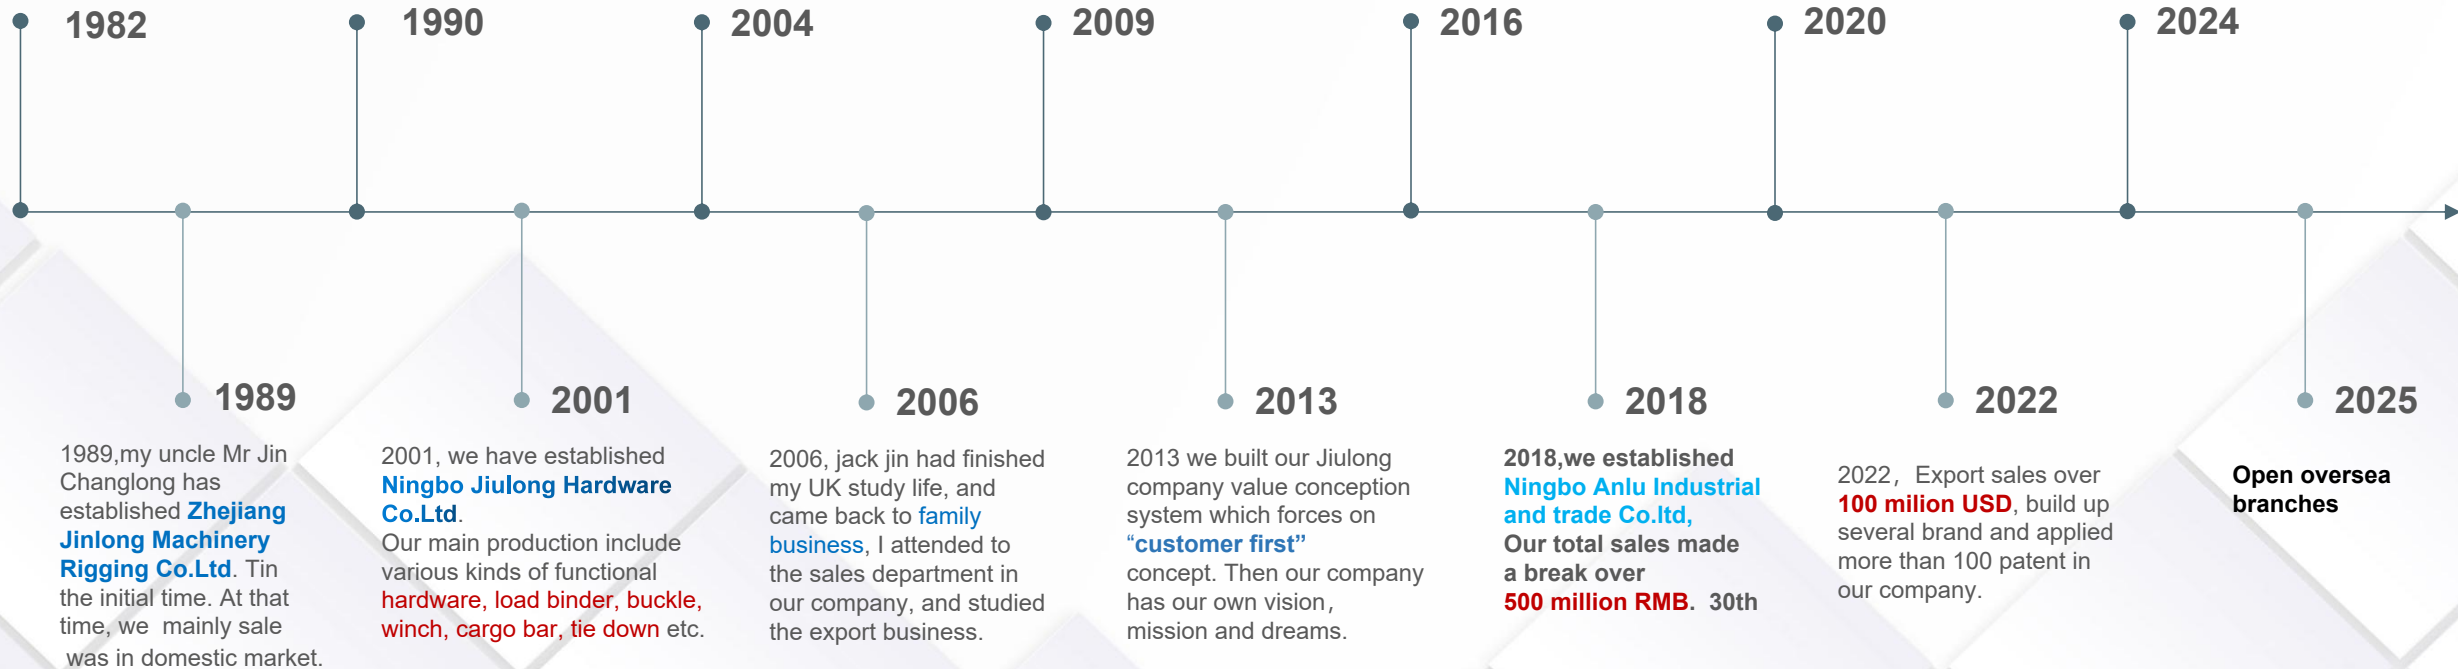

2004, we have started **self-support export licence**. After that, we maintains the top 20 ranking for export sales in our city.

2009, we have established **Ningbo Jiulong International Co. Ltd.** Our core concept is to make the lashing & lifting industry more simple and popular.

2016, we have increased some series product in new area, like truck and trailer parts, one is **snow chain** and **auto tools**

2020, due to covid-2019, to support customer and also survive, we add more business range like **safety products** and **outdoor and sports**

Year 2024 is our company's 35th anniversary, based on "334" strategy, we upgrade our factory machine, Key Words: "**Automatic, Robot, AI, Digital transformation**"
